

Safety Guidelines

COVID19 SCREENING

Stay home if you have/are:

Sneeze

Feeling under the weather

Exposed to someone with symptoms

Considered High Risk

WHILE ON-SITE:

Face masks and face shields are required when interacting with public and during session times.

Employees are required to wear gloves throughout their shift.

Designated restrooms for clients, participants, and staff members.

Food for clients and staff will be pre-ordered, individually packaged and served as delivered.

Assigned supplies to minimize risk of cross contamination.

Reduced group sizes to allow for adequate social distancing.
